Client Services Inc. Announces Hire of John “Jack” Daniels as New Vice President of Business Development

(St. Charles, MO) - Client Services Inc. (CSI), a St. Charles based debt-recovery call center, hired John “Jack” Daniels as the new vice president of business development.

“He’s a proven marketing leader skilled in all facets of our business from Account Receivable Management to Default Recovery,” said Executive Vice President Scott Lindley. “He’s the perfect fit as we look to attract new business opportunities with financial organizations in the healthcare and health service industries. “

Daniels was formerly with Philadelphia-based Monarch Recovery Management, Inc. (Monarch) as the director of sales and operations (2014 - Sept 2021) and Dun & Bradstreet (2009 - 2014)
